You have not completed the University’s health insurance requirement for spring semester 2019. Because you have not provided health insurance information, you have been enrolled in the Student Health Benefit Plan and the associated premium of $1,116 was billed to your student account.

If you do not intend to enroll in the Student Health Benefit Plan
Please complete the online Health Coverage Declaration to provide proof of your own health insurance by February 7. To do this, go to your Student Center and choose “Waive Me”. For more details, visit our website.

Insurance identification cards for the Student Health Benefit Plan (SHBP) have been mailed. Please be aware you may receive an ID card in the next couple of weeks even if you complete the declaration to waive the SHBP. If you waive the plan but receive a card, you may discard it.

If you intend to continue enrollment in the Student Health Benefit Plan
Please complete the online Health Coverage Declaration to confirm your enrollment. Go to your Student Center and choose “Enroll Me”.

The deadline to complete the declaration is February 7.

Visit our website for more information or contact our office with questions.
