Our records show that you have completed the online Health Coverage Declaration for spring semester 2021 and chose to waive enrollment in the Student Health Benefit Plan (SHBP). However, when completing the Health Coverage Declaration, you did not enter verifiable health insurance information. Your submission is invalid and your waiver was removed. You have been re-enrolled in the SHBP and the associated premium of $1,272 was assessed to your student account.

If you have valid health insurance and would like to waive the SHBP, please submit proof of insurance, such as a copy of the front and back of your health insurance card, by March 19, 2021. You may submit this proof via this email, postal mail, fax, or in person. If valid proof of insurance is not received by March 19, 2021, you will remain enrolled in the SHBP for the entirety of the semester.
