

Student Health Benefits

UNIVERSITY OF MINNESOTA

As an eligible Academic Health Center student at the University of Minnesota, you are enrolled in [Long-term Disability Insurance](#). The Office of Student Health Benefits is pleased to contract with Foster Klima to provide this benefit.

A unique benefit within the University disability plan is the Guaranteed Standard Issue (GSI) Conversion Option, which you can use after you leave the University. This benefit can be used for your entire career, with no exclusion for pre-existing conditions. The opportunity to enroll is only available until 60 days after your group plan ends.

Your University-designated Foster Klima representative can advise you on the disability insurance options available to you. For representative contact information and plan details, visit the [Office of Student Health Benefits website](#).
