Welcome to the Student Health Benefit Plan (SHBP)!

**Health Coverage Basics**
Your summer semester health coverage began May 17 and will continue through August 22, 2021. If you did not intend to enroll, please contact our office as soon as possible.

Blue Cross and Blue Shield of Minnesota provides the health plan network and claims administration services for the SHBP, giving you access to thousands of providers in their worldwide network. To find an in-network provider convenient for you, use Blue Cross and Blue Shield’s [Find a Doctor](#) tool.

To check coverage for healthcare services or find resources to help manage your health, visit the Blue Cross and Blue Shield [website](#) or call 651-662-5004.

**Dental Benefits**
The SHBP includes preventive dental benefits for the primary member (the student) and pediatric dependents (under age 19) through [Delta Dental](#). Primary members under the age of 19 are automatically enrolled in pediatric dental benefits which expire at the end of the month in which they turn 19. Services such as routine cleanings and exams are included in the preventive dental benefits. Preventative benefits will be effective as of your SHBP start date. Use Delta Dental’s [Find a Dentist](#) tool to locate a dentist. [Learn more](#) about your dental benefits.

**ID Cards**
If you are a new enrollee, you will receive ID cards from Blue Cross and Blue Shield and Delta Dental at your residential mailing address listed with the University. You will need to bring your ID card to any medical or dental appointment you may have, as this is proof that you have coverage.
