You were enrolled in the Student Health Benefit Plan (SHBP) for the Spring 2021 semester which provides coverage until 8/22/21. Because of COVID-19, members were able to register for courses that were previously only offered in-person as an online option and remain eligible for the SHBP. Students who are degree-seeking and registered for six or more credits per semester that count towards the automatic assessment of the Student Services Fee (SSF) are eligible for the SHBP. Eligibility for the SHBP can be reviewed on our [website](#). Some courses for which students may be registered during this Fall 2021 semester may not count towards the automatic assessment of the SSF.

At this time, you have not been automatically assessed the SSF which makes you ineligible for the SHBP coverage. If you were anticipating your enrollment in these benefits, please contact our office by responding to this email or email umshbo@umn.edu to have your account reviewed further.
