If you have already completed the Health Coverage Declaration for fall 2017, please disregard this email.

******

Dear University of Minnesota student,

This is a reminder that eligible students* who are enrolled in classes for fall 2017 must complete the Health Coverage Declaration by the September 27, 2017 deadline. The declaration is used to enroll in or waive the University-sponsored Student Health Benefit Plan (SHBP).

To enroll or waive, visit your Student Center and complete the Health Coverage Declaration. Or, go to the MyU portal and select “Student Center”, under “Key Links”.

If you are waiving the Student Health Benefit Plan, please have your insurance card handy, as you will need to provide the name of your insurance company, member ID, group ID and payer ID (if applicable). You can review your submission at any time by going to your Communication Center. If you do not complete the Health Coverage Declaration and provide proof of your own coverage, you will remain enrolled in the Student Health Benefit Plan and billed the associated premium of $1050.

To learn more about the SHBP and health insurance requirements, visit our website.

International Students: You may receive this message if you have not checked in with ISSS yet. Please disregard. You may review international student insurance requirements on our website.

Please contact our office with questions.
