

Student Health Benefits

UNIVERSITY OF MINNESOTA

Please disregard this email if you have recently submitted a waiver to the Office of Student Health Benefits. If you missed the deadline to waive coverage and feel you should not be enrolled in the Student Health Benefit Plan (SHBP), please contact our office for further assistance.

You're enrolled in the Student Health Benefit Plan (SHBP). Your ID card will be mailed this week. If you don't receive your card by the end of October, please contact Blue Cross at 651-662-5004 to verify that your address is correct. You are able to access care prior to receiving your physical ID card. If you need your policy information before you receive your physical ID card, contact Blue Cross (651-662-5004) and they will provide your policy information. Once you have your policy information, you can create an account on the [Blue Cross portal](#) or download the [Blue Cross app](#) to access a virtual ID card.

The [Blue Cross portal](#) also includes other resources, such as how to find an in-network provider, view claims, and detailed plan information.

Dependent ID Card Change

If you had dependents enrolled in the SHBP during the previous academic year, the ID number and group number for this academic year (2020-2021) will be changing. Now the group number will match the primary members and dependents will now show under the primary member in the [Blue Cross online portal](#).

Dental Benefit ID Cards

If you are new to the SHBP, you will be mailed a Delta Dental ID card. If you don't receive your card by the end of October, please contact Delta Dental at 651-406-5916.

If you need a replacement ID card, would like to view benefit information or find a dentist, visit [Delta Dental's website](#).
