

## Figuring out what is covered under the Graduate Assistant Health Plan can be confusing. A good place to start is your Summary of Benefits.

The Summary of Benefits (SBC) is a reference guide to your benefits. Your SBC provides plan descriptions, what services are covered by your plan and what your out-of-pocket costs will be for specific services.

## Preventive dental care is an essential part of your overall health.

Preventive dental benefits are included in the GAHP for you and your dependent children, which means you can receive routine cleanings for no cost at [Boynton Health Dental Clinic](#).

The GAHP also pays 80% of basic restorative services and 50% of major restorative services up to \$1,000 per academic year. Dependents receive preventive and other covered restorative dental services at a 20-30% discount. Learn more about what's covered on the [Dental Benefits](#) page.

## Vaccination is the best defense against the flu for you and everyone else too.

Getting a flu shot is fast, easy, and there's no out-of-pocket cost to eligible University students. You can even get your flu shot right on campus at a Flu Clinic. Drop-ins are welcome, but wait times are shorter if you [schedule online](#).
