DESCRIPTION OF COVERED PROCEDURES

Pretreatment Estimate

(Estimate of Benefits)

IT IS A GOOD IDEA TO GET A PRETREATMENT ESTIMATE FOR YOUR DENTAL CARE THAT INVOLVES MAJOR RESTORATIVE, PERIODONTIC, PROSTHODONTIC. THE PRETREATMENT ESTIMATE IS RECOMMENDED, BUT NOT REQUIRED FOR YOU TO RECEIVE BENEFITS FOR COVERED DENTAL CARE. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMISSION OF A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS YOU HAVE AND IF THE TREATMENT IS COVERED. THE PRETREATMENT ESTIMATE OUTLINES WHAT YOU HAVE TO PAY TO THE DENTIST, SUCH AS CO-PAYMENTS AND DEDUCTIBLES. IT ALLOWS THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE YOUR TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED PAYMENT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE ESTIMATE. THIS IS AN ESTIMATE ONLY. FINAL PAYMENT WILL BE BASED ON THE CLAIM THAT IS SUBMITTED ONCE THE TREATMENT IS COMPLETED. SUBMISSION OF OTHER CLAIMS, A CHANGE IN ELIGIBILITY, A CHANGE IN YOUR COVERAGE OR OTHER COVERAGE YOU HAVE MAY ALTER THE PAYMENT.

After the exam, your dentist will tell you the dental treatment that should be given. If the dental treatment involves major restorative, periodontics, prosthetics, the dentist should submit a claim form to the Plan for the proposed treatment. The plan will review and determine if the treatment is covered and estimate the amount of payment.

A Pretreatment Estimate of Benefits statement will be sent to you and your dentist. You will be responsible to pay for any deductibles and coinsurance amounts. You will also be responsible to pay for any dental treatment that is not considered a covered service under the Plan

Benefits

The Program covers the following dental procedures when they are performed by a licensed dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Program shall be provided whether the dental procedures are performed by a duly licensed physician or a duly licensed dentist, if otherwise covered under this Program, provided that such dental procedures can be lawfully performed within the scope of a duly licensed dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining dentist, or from hospitals in which a dentist's care is provided, such information and records relating to a Covered Person as may be required to pay claims. Also, the Plan may require that a Covered Person be examined by a dental consultant retained by the Plan in or near the Covered Person's place of residence. The Plan shall hold such information and records confidential.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Delta Dental of Minnesota does not determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. Delta Dental of Minnesota evaluates dental procedures submitted to determine if the procedure is a covered benefit under your dental plan. Your dentist may recommend or prescribe other dental care services that are not covered, are cosmetic in nature, or exceed the benefit frequencies of this plan. While these services may be necessary for your dental condition, they may not be covered by us. There may be an alternative dental care

service available to you that is covered under your plan. These alternative services are called optional treatments. If an allowance for an optional treatment is available, you may apply this allowance to the initial dental care service prescribed by your dentist. You are responsible for any costs that exceed the allowance, in addition to any coinsurance or deductible you may have. Services that are not covered by the Plan or exceed the frequency of Plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for dental services that are not covered or benefited by the Plan. The decision as to what dental care treatment is best for you is solely between you and your dentist.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

Dental services are evaluated after treatment is rendered for accuracy of payment, benefit coverage and potential fraud or abuse as defined in the Health Insurance Portability and Accountability Act of 1996 - Public Law 102-191. Any payments for dental services completed solely for cosmetic purposes or payments for services not performed as billed are subject to recovery. Delta Dental's right to conduct post payment review and its right of recovery exists even if a Pretreatment Estimate was submitted for the service.

Optional Treatment Plans

In all cases in which there are alternative treatment plans carrying different costs, the decision as to which course of treatment to be followed shall be solely that of the Covered Person and the dentist; however, the benefits payable hereunder will be made only for the applicable percentage of the least costly, commonly performed course of treatment, with the balance of the treatment cost remaining the payment responsibility of the Covered Person.

ELIGIBILITY

Covered Persons under this Program are:

Resident/Fellows

- a) All eligible Resident/Fellows who have met the eligibility requirements as established by the Group and stated within this Dental Benefit Plan Summary under Effective Date of Coverage.
- b) Resident/Fellows on Family and Medical Leave as mandated by the Federal FMLA.

Dependents

- A) Spouse, meaning:
 1. Legally Married;
 2. Legally separated;
- B) Dependent children to the age of 26, including:
 1. Natural-born and legally adopted children (including children placed with you for legal adoption).
NOTE: A child's placement for adoption terminates upon the termination of the legal obligation of total or partial support.
 2. Stepchildren who reside with you.
 3. Grandchildren who are financially dependent on and reside with the covered grandparent.
 4. Children who are required to be covered by reason of a Qualified Medical Child Support Order. You can obtain, without charge, a copy of procedures governing Qualified Medical Child Support Orders ("QMCSOs") from the Plan Administrator.
 5. Children for whom you or your spouse are the legal guardian.
 6. Dependent Children age 26 and older if:
 - they are primarily dependent upon you; and
 - are incapable of self-sustaining employment because of developmental delay, mental illness or mental disorder or physical disability.

NOTE: If both you and your spouse are Resident/Fellows of the University of Minnesota, you may be covered as either an Resident/Fellow or as a dependent, but not both. Your eligible dependent children may be covered under either parent's coverage, but not both.

Effective Dates of Coverage

Eligible Resident/Fellow:

You are eligible to be covered under this Program when the Program first became effective, July 1, 2003, or if you are a new Resident/Fellow of the Group, on the first day that you are required to report to your residency/fellowship program.

Eligible Dependents:

Your eligible dependents, as defined, are covered under this Program:

- a) On the date you first become eligible for coverage, if dependent coverage is provided or elected.

- b) On the date you first acquire eligible dependents, or add dependent coverage subject to the open enrollment requirements of the Group, if any.
- c) On the date a new dependent is acquired if you are already carrying dependent coverage.

LIMITATION: Dependents of an eligible Resident/Fellow who are in active military service are not eligible for coverage under the Program.

Children may be added to the Program at the time the eligible Resident/Fellow originally becomes effective or may be added anytime up to 30 days following the child's 3rd birthday. If a child is born or adopted after the Resident/Fellow's original effective date, such child may be added anytime between birth (or date of adoption) and 30 days following the child's 3rd birthday. In the event that the child is not added by 30 days following their 3rd birthday, that child may be added only if there is a Family Status Change or at the next Open Enrollment period, if any.

The eligibility of all Covered Persons, for the purposes of receiving benefits under the Program, shall, at all times, be contingent upon the applicable monthly payment having been made for such Covered Person by the Group on a current basis.

Open Enrollment

The Open Enrollment under this Contract shall be held in the odd numbered years for an effective date of July 1st.

Family Status Change

Your benefit elections are intended to remain the same for the entire Coverage Year. During the Coverage Year, you will be allowed to change your benefits only if you experience an eligible Family Status Change which includes:

- Change in legal marital status such as marriage or divorce.
- Change in number of dependents in the event of birth, adoption, placement for adoption or death.
- Change in your or your spouse's employment - either starting or losing a job.
- Change in your or your spouse's work schedule, such as going from full-time to part-time or part-time to full-time, or beginning or ending an unpaid leave of absence.
- Change in dependent status, such as when a child reaches maximum age under the Plan.
- Change in residence or work location so you are no longer eligible for your current health plan.
- Become eligible for Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage.
- Termination of Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependents are no longer eligible.
- Loss of other coverage.

Due to federal regulations, the changes you make to your benefits must be consistent with the Family Status Change event that you experience. For example, if you have a baby, it is consistent to add your newborn to your current dental coverage but it is not consistent to drop your dental coverage altogether.

If you experience one of the above eligible Family Status Changes during the year, you have 31 days (except in the case of qualification for or termination of employment assistance under Medicaid/CHIP, in which case the Resident/Fellow has 60 days after the date of eligibility) from the event to change your elections. If you do not change your benefits within 31 days of the event, you will not be allowed to make changes until the next Open Enrollment period. You may obtain a Family Status Change Form by contacting your University of Minnesota. All changes are effective the date of the change.

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

Continuation of Benefits: Covered Resident/Fellows who are absent due to service in the uniformed services may continue coverage under USERRA for up to 24 months after the date the covered Resident/Fellow is first absent due to uniformed service duty. To continue coverage under USERRA, covered Resident/Fellows should contact the University of Minnesota.

Eligibility: A covered Resident/Fellow is eligible for continuation under USERRA if he or she is absent from employment because of service in the uniformed services as defined in USERRA. This includes voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard or the commissioned corps of the Public Health Service. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training and for the purpose of an examination to determine fitness for duty.

Covered Resident/Fellows who have coverage under the Plan immediately prior to the date of the covered Resident/Fellow's covered absence are eligible to elect continuation under USERRA.

Contribution Payment: If continuation of Plan coverage is elected under USERRA, the covered Resident/Fellow is responsible for payment of the applicable cost of COBRA coverage. If, however, the covered Resident/Fellow is absent for not longer than 31 calendar days, the cost will be the amount the covered Resident/Fellow would otherwise pay for coverage (at Resident/Fellow rates). For absences exceeding 31 calendar days, the cost may be up to 102% of the cost of coverage under the Plan. This includes the covered Resident/Fellow's share and any portion previously paid by the University of Minnesota.

Duration of Coverage: Elected continuation coverage under USERRA will continue until the earlier of:

- 24 months, beginning the first day of absence from employment due to service in the uniformed services;
- the day after the covered Resident/Fellow fails to apply for or return to employment as required by USERRA, after completion of a period of service;
- the early termination of USERRA continuation coverage due to the covered Resident/Fellow's court-martial or dishonorable discharge from the uniformed services; or
- the date on which this Plan is terminated so that the covered Resident/Fellow loses coverage.

Covered Resident/Fellows should contact the University of Minnesota with any questions regarding continuation coverage and notify the University of Minnesota of any changes in marital status or a change of address.

Reemployment: An individual whose coverage under the Plan was terminated by reason of service in the uniformed services and who did not continue coverage during leave must, nevertheless, be entitled to reinstatement of coverage upon reemployment.

Termination of Coverage

Your coverage and that of your eligible dependents ceases on the earliest of the following dates:

- a) The end of the month in which (1) you cease to be eligible; (2) your dependent is no longer eligible as a dependent under the Program.
- b) On the date the Program is terminated.
- c) On the date the Group terminates the Program by failure to pay the required Group Subscriber payments, except as a result of inadvertent error.

For extended eligibility, see Continuation of Coverage.

The Group or Plan Sponsor reserves the right to terminate the Plan, in whole or in part, at any time (subject to applicable collective bargaining agreements). Termination of the Plan will result in loss of benefits for all covered persons. If the Plan is terminated, the rights of the Plan Participants are limited to covered expenses incurred before termination.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Program remains in effect and you or your spouse or your dependent child is a Covered Person under this Program:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or Resident/Fellow becomes ineligible (except gross misconduct dismissal)	Resident/Fellow and dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage.
Divorce, marriage dissolution, or legal separation	Former Spouse and any dependent children who lose coverage	Earliest of: 1. Enrollment date in other group coverage, or 2. Date coverage would otherwise terminate.
Death of Resident/Fellow	Surviving spouse and dependent children	Earliest of: 1. Enrollment date in other group coverage, or 2. Date coverage would have otherwise terminated under the contract had the Resident/Fellow lived.
Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, 2. Enrollment date in other group coverage, or 3. Date coverage would otherwise end.
Dependents lose eligibility due to Resident/Fellow's entitlement to Medicare	Spouse and dependents	Earliest of: 1. 36 months, 2. Enrollment date in other group coverage, or 3. Date coverage would otherwise end.
Resident/Fellow's total disability	Resident/Fellow and dependents	Earliest of: 1. Date total disability ends, or 2. Date coverage would otherwise end.
Retirees of the University of Minnesota filing Chapter 11 bankruptcy (includes substantial reduction in coverage within 1 year of filing)	Retiree and dependents	Earliest of: 1. Enrollment date in other group coverage, or 2. Death of retiree or dependent electing COBRA.

Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the University of Minnesota	Surviving Spouse and dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.
---	---------------------------------	---

You or your eligible dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage; except that, in the case of death of an eligible Resident/Fellow, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, the University of Minnesota must notify you of the option to continue coverage within 10 days after employment ends. If coverage for your dependent ends because of divorce, legal separation, or any other change in dependent status, you or your covered dependents must notify the University of Minnesota within 60 days.

You or your covered dependents must choose to continue coverage by notifying the University of Minnesota in writing. You or your covered dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered dependents ineligible to choose continuation at a later date. You or your covered dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered dependents must pay charges monthly in advance to the University of Minnesota to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to the University of Minnesota. If you or your covered dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the University of Minnesota may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the Resident/Fellow's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered Resident/Fellow, the dependent must notify the University of Minnesota of the second event within 30 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered Resident/Fellow during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Program is terminated by the Group Subscriber;

- c) The Group Subscriber's or Covered Person's failure to make the payment for the Covered Person's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to the University of Minnesota. The University of Minnesota will explain the regulations, qualifications and procedures required when you continue coverage.

PLAN PAYMENTS

Participating Dentist Network

A Delta Dental Premier dentist is a dentist who has signed a participating and membership agreement with his/her local Delta Dental Plan. The dentist has agreed to accept Delta Dental's Maximum Amount Payable as payment in full for covered dental care. Delta Dental's Maximum Amount Payable is a schedule of fixed dollar maximums established solely by Delta Dental for dental services provided by a licensed dentist who is a participating dentist. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental Premier dentist has agreed not to bill more than Delta Dental's allowable charge. A Delta Dental Premier dentist has also agreed to file the claim directly with Delta Dental.

A Delta Dental PPO network dentist is a dentist who has signed Delta Dental PPO agreement with Delta Dental of Minnesota. The dentist has agreed to accept the Delta Dental PPO Maximum Amount Payable as payment in full for covered dental care. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental PPO dentist has agreed not to bill more than the Delta Dental PPO Maximum Amount Payable. A Delta Dental PPO dentist has also agreed to file the claim directly with Delta Dental.

Names of Participating Dentists can be obtained, upon request or from the Plan's internet web site at www.deltadentalmn.org. Refer to the General Information section of this booklet for detailed information on how to locate a participating provider using the Plan's internet web site.

Covered Fees

Under this Program, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a participating Delta Dental PPO or Delta Dental Premier dentist with the plan. There may also be a difference in the payment amount if your dentist is not a participating dentist with Delta Dental. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the Table of Allowances determined by Delta Dental.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Notice of Claim

Written notice of claim must be given to Delta Dental within 20 days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Policyholder or the beneficiary shall be presented to Delta Dental at PO Box 330, Minneapolis, MN 55440-0330.

Claim Forms

Delta Dental, upon receipt of a notice of claim, will furnish to you such forms as are usually furnished for filing proofs of loss. If we do not give you these forms within 15 days after you have filed your notice of claim, you shall be deemed to have complied with the requirements of this policy.

Claim Payments

PAYMENTS ARE MADE BY THE PLAN ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

ANY BENEFITS PAYABLE UNDER THIS PLAN ARE NOT ASSIGNABLE BY ANY COVERED PERSON OR ANY ELIGIBLE DEPENDENT OF ANY COVERED PERSON.

Delta Dental Premier Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental Premier dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental Premier dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental Premier dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Delta Dental PPO Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental PPO dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Delta Dental PPO Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental PPO dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Nonparticipating Dentists:

Claim payments are based on the Plan's Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the Table of Allowances established solely by Delta Dental, whichever is less. The Table of Allowances is a schedule of fixed dollar maximums established by Delta Dental for services rendered by a licensed dentist who is a nonparticipating dentist. Claim payments are sent directly to the Covered Person.

THE COVERED PERSON IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY THE NONPARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NONPARTICIPATING PROVIDER, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE COVERED PERSON.

Coordination of Benefits (COB)

If you or your dependents are eligible for dental benefits under this Program and under another dental program, benefits will be coordinated so that no more than 100% of the Plan Payment Obligation is paid

jointly by the programs. The Plan Payment Obligation, as defined above, is determined prior to calculating all percentages, deductibles and benefit maximums.

The Coordination of Benefits provision determines which program has the primary responsibility for providing the first payment on a claim. In establishing the order, the program covering the patient as an Resident/Fellow has the primary responsibility for providing benefits before the program covering the patient as a dependent. If the patient is a dependent child, the program with the parent whose month and day of birth falls earlier in the calendar year has the primary payment responsibility. If both parents should have the same birth date, the program in effect the longest has the primary payment responsibility. If the other program does not have a Coordination of Benefits provision, that program most generally has the primary payment responsibility.

NOTE: When Coordination of Benefits applies for dependent children, provide your dentist with the birth dates of both parents.

Time of Payment of Claim

Any benefits due under this Policy for any loss other than loss for which this Policy provides periodic payment will be paid immediately upon receipt of due written proof of such loss.

Claim and Appeal Procedures

Initial Claim Determinations

All claims should be submitted within 12 months of the date of service. If you do not submit a claim within the time required, it will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time. You must submit your proof as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Initial Claim Determinations

An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive a written notice of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond our control. In that case, we will notify you prior to the end of the initial 30-day period. We will tell you the reasons we require an extension and the date by which we expect to make a decision. If the extension is needed to get additional information from you, the notice will describe the specific information we need, and you will have 45 days from the receipt of the notice to provide us with the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Delta Dental of Minnesota
Attention: Appeals Unit
PO Box 551
Minneapolis, MN 55440-0551

You may submit written comments, documents, or other information that you feel supports your appeal. Upon request you will also be given reasonable access to and copies of all relevant records that are used in making the decision. These records will be given to you at no charge. The review will take into account all information about the denied or reduced claim, even if the information was not present or available at

the time of the initial determination. (In this review, the initial determination of the claim will not be given any weight.

The review will be done by someone different from the original decision-makers and will not be taken into consideration any prior decisions made in your claim. Because all decisions are based on a preset schedule of dental services that are covered by your plan, claims are not reviewed to determine dental necessity or appropriateness. If we need to consult a professional to determine if a service is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. This professional will not be the same person who was involved in initial adverse benefit determination (nor a subordinate of any such person). We will identify any dental professional whose advice was obtained on our behalf, even if the advice was not used in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

Deadline to File Claim and Deadline to File Legal Action

A claim must be filed with Delta Dental of Minnesota within one (1) year after the claimant knew or reasonably should have known of the principal facts upon which the claim is based to be considered timely under the applicable claim and review procedure. You must exhaust this claim and review procedure before bringing a lawsuit.

No legal action to recover benefits or to enforce or clarify rights under section 502 or section 510 of ERISA or under any other provision of law, whether or not statutory, may be brought by any claimant on any matter pertaining to these dental benefits unless the legal action is commenced in the proper forum before the earlier of:

- (a) thirty (30) months after the claimant knew or reasonably should have known of the principal facts on which the claim is based, or
- (b) six (6) months after the claimant has exhausted the claims and review procedure.

In any legal action for dental benefits under this Program all explicit and all implicit determinations by the decision-maker under this claims and appeals process (including, but not limited to, determinations as to whether a claim, or a request for a review of a denied claim, was timely filed) shall be afforded the maximum deference permitted by law.

The Plan Sponsor and Plan Administrator have the authority, discretion and responsibility to interpret and apply the terms of the Plan and to determine all factual and legal questions under the Plan, including entitlement to benefits and resolution of claims and appeals related to benefits, unless authority to make such determinations is delegated by the Plan Administrator to the Claims Administrator. Privacy Notice

Delta Dental of Minnesota will not disclose non-public personal financial or health information concerning persons covered under this dental benefit Program to non-affiliated third parties except as permitted by law or required to adjudicate claims submitted for dental services provided to persons covered under this dental benefit Program.

How to Find a Participating Dentist

A real-time listing of participating dentists is available in an interactive directory at the Plan's user friendly web site, www.deltadentalmn.org. The Plan highly recommends use of the web site for the most accurate network information. Go to <http://www.deltadentalmn.org/findADentist> and enter your zip code, city or state to find local participating dentists. You can also search by dentist or clinic name. The Web site also allows you to print out a map directing you to the dental office you select. **The Dentist Search is an accurate and up-to-date way to obtain information on participating dentists.**

To search for and verify the status of participating providers, select "Dentist Search" on the www.deltadentalmn.org home page. Select the Product or Network in the drop-down menu, and search by city and state, zip code or provider or clinic name. If your dentist does not participate in the network, you may continue to use that dentist, although you will share more of the cost of your care and could be responsible for dental charges up to the dentist's full billed amount.

If you do not have Internet access, other options are available to find a network dentist or verify that your current dentist is in the network.

- When you call to make a dental appointment, always verify the dentist is a participating dentist. **Be sure to specifically state that the University of Minnesota is providing the Dental program.**
- Contact our Customer Service Center at: (651) 406-5916 or (800) 553-9536. Customer Service hours are 7 a.m. to 7 p.m., Monday through Friday, Central Standard Time.

Using Your Dental Program

Dentists who participate with Delta Dental under this Program are independent contractors. The relationship between you and the participating dentist you select to provide your dental services is strictly that of provider and patient. Delta Dental cannot and does not make any representations as to the quality of treatment outcomes of individual dentists, nor recommends that a particular dentist be consulted for professional care.

All claims should be submitted within 12 months of the date of service.

If your dentist is a participating dentist, the claim form will be available at the dentist's office.

If your dentist is nonparticipating, claim forms are available by calling:

Delta Dental of Minnesota - (651) 406-5916 or (800) 553-9536

The Plan also accepts the standard American Dental Association (ADA) claim form used by most dentists.

The dental office will file the claim form with the Plan; however, you may be required to assist in completing the patient information portion on the form (Items 1 through 14).

During your first dental appointment, it is very important to advise your dentist of the following information:

- * YOUR DELTA DENTAL GROUP NUMBER
- * UNIVERSITY OF MINNESOTA (GROUP NAME)
- * YOUR IDENTIFICATION NUMBER (your dependents must use **YOUR** Identification number)
- * YOUR BIRTHDAY AND THE BIRTH DATES OF YOUR SPOUSE AND DEPENDENT CHILDREN

Cancellation and Renewal

The Program may be canceled by the Plan only on an anniversary date of the Group Dental Plan Contract, or at any time the Group fails to make the required payments or meet the terms of the Contract.

Upon cancellation of the Program, Covered Persons of the Group have no right to continue coverage under the Program or convert to an individual dental coverage contract.

EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)

Plan Administration

The Plan Administrator, who is listed on the inside front cover of this brochure, is a named fiduciary under the Program and shall be responsible for the management and control of this Program.

The Plan Administrator is responsible for determining the level of benefits for the Program as described in this brochure. The Plan Administrator reserves the power at any and from time to time (and retroactively, if necessary or appropriate to meet the requirements of the code or ERISA) to modify or amend, in whole or in part, any or all provisions of the Plan, provided, however, that no modification or amendment shall divest an employee of a right to those benefits to which he or she has become entitled under the Plan.

Funding Policy and Payment

The funding policy and method requires that the Group Subscriber submit payments on a monthly basis.

Procedure to Request Information

If you have any questions about this Program, contact the Plan Administrator who is listed in the inside front cover of this brochure.

Statement of ERISA Rights

As a participant in the Program, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

1. Examine without charge at the Plan Administrator's office and at other specified locations such as work sites and union halls, all Plan documents, including insurance contracts, and copies of all documents such as detailed annual reports and Plan descriptions filed by the Plan with the U.S. Department of Labor.
2. Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your Group, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your right, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fee, for example, if it finds your claim is frivolous. If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
