# **STUDENT DENTAL PLANS**

**Student Health Benefits**

UNIVERSITY OF MINNESOTA

**Preventive Plan:** Included in the Student Health Benefit Plan for all primary members (students). This plan is not subject to annual maximums or deductibles. It covers routine services at 100% and specific nonsurgical specialized treatment of the mouth at 80%.

**Buy-Up Plan:** This plan includes the preventive plan benefits but also adds services such as surgery, crowns, prosthetics and others at 50%. It includes a \$1,200 annual per person maximum, and a \$25 per person deductible. The cost of the plan is \$984.48. For students who are enrolled both fall and spring semesters, the premium will be billed in two installments of \$492.24.

This is a summary of benefits only and does not guarantee coverage. For a complete list of covered services and limitations/exclusions, please refer to the Dental Benefit Plan Summary.

\*Dentists who have signed a participating network agreement with Delta Dental have agreed to accept the maximum allowable fee as payment in full. Non-participating dentists have not signed an agreement and are not obligated to limit the amount they charge; the member is responsible for paying any difference to the non-participating dentists.

## Insurance Terms Defined

### Annual maximum:

The maximum amount a dental plan will pay toward your dental care from 9/1/23 - 8/31/24.

### Deductible:

A set dollar amount you are responsible for paying toward services before your dental plan begins to pay for covered services.

### Preventive Services:

These are exams, cleanings, X-rays and sealants. They are also called Diagnostic & Preventive Services.
