If you have already submitted Graduate Assistant Health Plan (GAHP) enrollment materials for the 2023-2024 plan year, please disregard this email.

Hello!

Our records indicate you have at least one dependent enrolled in the Graduate Assistant Health Plan (GAHP) for the 2022-2023 plan year. To maintain coverage for your dependents, you must re-enroll your dependents at the start of each academic year. If you remain an eligible graduate assistant, fellow, or trainee, your primary member enrollment will automatically continue. Find more information on the [enrollment process](#) on our website.

If you wish to re-enroll your dependents, complete the [enrollment form](#) (pdf) and submit it to the Office of Student Health Benefits by **September 28, 2023**.

If you will no longer hold an eligible position during the fall 2023 semester, your coverage will terminate on **August 31, 2023**. You have the option to continue coverage for up to 18 months at your own expense with the Continuation of Coverage option. [Learn more](#).

Please contact our office if you have questions.
