

Hello!

We are contacting you about submitting payment information for your Spring Graduate Assistant Health Plan (GAHP) base premium.

As you may recall, the base premium for the Spring semester is \$195.47. All GAHP enrollees are required to pay the base premium each semester. Typically, the base premium is posted to the student account. If a student does not have a student account (this often applies to Post-Doctoral Fellows and Trainees), we are required to collect payment via credit card or check. You must submit your payment information within the next 7 days to ensure uninterrupted health coverage.

You can submit your payment information through either of the following methods:

- **Call our office:** You can call our office at 612-624-0627 and provide your payment details to one of our representatives.

OR

- **Submit the 2nd Page of the GAHP Enrollment Form:** Alternatively, you can complete the second page of the [GAHP Enrollment Form](#) with your payment details and drop it off at our office. *Do not email credit card or debit card information to our office.*

Please note that failure to submit payment by the deadline will result in the termination of your health coverage as of January 31, 2024.

If you are also paying dependent premiums, you may give written authorization via email to use the payment information on file for base premium billing purposes.

For more information, visit our [website](#). If you have any questions or concerns, please contact our office.

Best regards,

Office of Student Health Benefits
