

## Student Health Benefits

UNIVERSITY OF MINNESOTA

Hello!

Upon reviewing your student account, it was determined that the Student Services Fee or BHS Group Ext Fee for the Spring 2024 term was missing. The BHS Group EXT Fee is a required fee for the Student Health Benefit Plan and can not be waived unless one is paying the full Student Service Fee (\$507.89), is enrolled on the Graduate Assistant Health Plan (GAHP), or is residing outside of the United States. This means that members enrolled in the Student Health Benefit Plan must pay for the BHS Group Ext Coverage (\$152.06) or the Student Service Fee (\$507.89). Typically, this occurs automatically but an error occurred and neither was accessed.

*A one-time charge for the BHS Extended fee of \$152.06 has been applied to your account effective 02/17/2024 to correct this.* Due dates for payments should be directed to OneStop. They can be reached at [onestop@umn.edu](mailto:onestop@umn.edu) or by phone at 612-624-1111.

For information on Student Service Fees, you may explore [here](#). Please explore how fees work with the Student Health Benefit Plan [here](#). It is important to note that these fees provide access to all the clinics at Boynton Health.

Let us know if you have any questions. Never hesitate to contact our office right away for review and correction for any missing or incorrect fee assessments in the future.
