STUDENT ENROLLMENT*

If you were not enrolled the previous year and wish to enroll in the plan, you must complete an enrollment form (found at shb.umn.edu) and submit to the Office of Student Health Benefits.

Once your eligibility is verified by the Office of Student Health Benefits, enrollment will be processed. Primary plan members will see a charge for the plan on their University bill once at the beginning of each semester.

*Students currently enrolled in the plan do not need to re-enroll for primary member coverage only. Current coverage will continue after the Office of Student Health Benefits verifies eligibility. Those with dependents need to re-enroll their dependents.

DEPENDENT ENROLLMENT

All students who wish to enroll dependents in the plan must complete the following and submit to the Office of Student Health Benefits:

- Enrollment form (available at shb.umn.edu)
- First two months of payment for dependents

MEMBER ID CARD

Your member ID card is your passport to care. It tells providers that you have coverage and gives them information they need to submit your claims to Blue Cross. You will receive a health plan card and information to your U.S. mailing address.

Additionally, your card provides your customer service phone number and information necessary to register for the Blue Cross online portal, at bluecrossmn.com/umnga.

Your online member portal offers one-stop convenience for all your health plan information, allowing you to:

- View your member ID card or order a replacement
- View claims and plan information
- Search for a network doctor, clinic or hospital
- Find estimated costs for common medical procedures
- Read and write patient reviews on medical providers
