

Hello!

You still need to complete the required Health Coverage Declaration (HCD) for fall semester 2024. To complete the declaration and fulfill the University's health insurance requirement, please go to your [Student Center](#). *You may review your submission in the Communication Center if you have recently completed the Health Coverage Declaration. The declaration should be marked as "Declined." The premium would then be automatically removed from the student account within 24- 48 hours.*

If you are already enrolled/are newly enrolling in the Graduate Assistant Health Plan (GAHP)

Verification of a qualifying graduate assistant position will occur and continue the GAHP for previously enrolled primary members automatically. Please enter the following information in the HCD to waive the Student Health Benefit Plan (SHBP):

- Name of insurance company: Graduate Assistant Health Plan
- Health plan member ID number: Your UMN student ID number

The deadline to complete the Health Coverage Declaration is **September 26, 2024**.

End of Coverage

If you were previously enrolled in the GAHP and are not holding a qualifying graduate assistant position for Fall 2024, your coverage will terminate on August 31, 2024. This event would make you eligible for the [Graduate Assistant Continuation of Coverage Plan](#).
