

Hello!

Our office has been notified that you will no longer be eligible for the Graduate Assistant Health Plan (GAHP) and your coverage has been terminated effective August 31, 2024.

After losing eligibility for the GAHP you may purchase the Continuation of Coverage plan at your own expense. To be eligible for the Continuation of Coverage plan, you must submit enrollment materials and payment for the first two months within 60 days of your loss of coverage. Visit the Office of Student Health Benefits website for [Continuation of Coverage plan details and enrollment instructions](#).

Please note: if you have an international status you are required to carry health insurance either through the University of Minnesota or through a United States-based employer while you are still a registered student. Please provide proof of other health insurance or proof of arrival in your home country to waive enrollment and billing for the Student Health Benefit Plan (SHBP). This documentation must be submitted within 10 business days.

Please contact our office with any questions.
