

Hello!

We are unable to confirm your eligibility for enrollment in the Graduate Assistant Health Plan (GAHP) for Spring 2025.

To be eligible for the GAHP, you must hold a qualifying assistantship or fellowship at 25% or greater. Additionally, as a trainee or fellow, you are only eligible for the GAHP if your department or sponsor agrees to pay the full departmental cost of coverage during the academic year. Detailed eligibility criteria can be found on our [website](#).

We have not received funding for your spring 2025 semester coverage. If your department/sponsor intends to provide funding, they need to complete and submit a [Department Authorization form](#) (pdf) by January 31. If funding is not submitted, your GAHP coverage will be canceled effective *January 31, 2025*.

If you are no longer eligible for the GAHP, you may purchase the Continuation of Coverage plan at your own expense (including coverage for dependents that were previously covered under your GAHP). To enroll in the Continuation of Coverage, submit an [enrollment form](#) (pdf) no later than March 31, 2025. **Do not submit credit/debit card information on the form via email.** Visit our [website](#) for more information.

Please contact our office with any questions.
