

## Student Health Benefits

UNIVERSITY OF MINNESOTA

Hello GAHP Member,

We're pleased to inform you that the University of Minnesota and the Graduate Assistant Union have reached an agreement to increase the University's contribution to Graduate Assistant Health Plan dependent rates. Effective immediately, the University's contribution will rise from 75% to 85%.

This change will take effect for the upcoming Spring 2025 semester beginning with the February premium reflecting the new rates. For a full list of updated dependent rates, please visit our [website](#).

We hope this adjustment helps support you and your dependents as we continue to prioritize the well-being of our graduate assistant community.

Please contact our office with any questions.
