Dear Medical School student,

The University of Minnesota and the Office of Student Health Benefits partners with Foster Klima to provide you long-term disability insurance. This benefit protects you if you develop a condition that leads to a leave of absence or prevents you from completing your program. Upon graduation, you have an opportunity to convert to an individual disability policy, regardless of any pre-existing medical conditions.

We encourage you to meet with one of your University-designated Foster Klima representatives, Heather Bantle, Joe Barwick or Matt Hermann, to learn more about your disability insurance. Heather, Joe and Matt can also advise you on managing student loans, saving for future goals and financial planning.
