Welcome

July 1, 2016

Dear Graduate Assistant,

The University of Minnesota is pleased to welcome you to the 2016–2017 Graduate Assistant Health Plan.

The University works hard to provide eligible graduate assistants, fellows, trainees, and their dependents access to a high-quality plan at minimal cost. The University-sponsored Graduate Assistant Health Plan (GAHP) is comprehensive and affordable health care coverage designed to meet the unique needs of graduate assistants and their dependents.

All new graduate assistants, current GAHP enrollees with enrolled dependents, and current GAHP enrollees who wish to enroll dependents or maintain dependent coverage on the plan for fall semester 2016 must complete the enrollment process by September 20, 2016.

Highlights of the plan include:
- No in-network deductible
- 100 percent coverage of eligible expenses after a $10 office visit co-pay
- Pharmacy benefit in the HealthPartners network with no annual maximum benefit
- Dental care benefit—preventive care and restorative care coverage at your campus’ designated dental clinic (co-insurance applies)

In this brochure, you’ll find more information about the broad range of benefits available to you through the GAHP. More details and 2016–2017 plan rates can be found on the plan’s website. In order to make the most of your coverage, and to be sure that you are aware of deadlines, policies, and procedures that affect you, you are encouraged to review the information found in this brochure and online carefully.

Please feel free to contact me with any questions. Our office looks forward to serving you!

Susann Jackson
Director of Student Health Benefits
Office of Student Health Benefits
University of Minnesota
410 Church Street S.E., N323
Minneapolis, MN 55455
Phone: 612-624-0627 or 1-800-232-9017
Fax: 612-626-5183 or 1-800-624-9881
umgahbo@umn.edu
How to Enroll

All graduate assistants who wish to take advantage of the plan fall semester 2016 must complete the enrollment process.

Complete and Submit Enrollment Forms

To enroll in the Graduate Assistant Health Plan, please complete and return the following materials to the Office of Student Health Benefits within 14 days from the start date of your appointment or by September 20, 2016, whichever is later.

Student Enrollment
All students who wish to enroll in the plan must complete and return*:
• Enrollment Form — available at www.shb.umn.edu

Dependent Enrollment
All students who wish to enroll dependents in the plan must complete and return:
• Enrollment Form — available at www.shb.umn.edu
• First two months’ payment for dependents

Once an applicant’s eligibility is verified by the Office of Student Health Benefits, enrollment will be processed. Primary plan members will see a charge for the plan on their University bill once at the beginning of each semester. Member ID cards will be sent to the plan member by U.S. mail approximately four weeks after the start of the first semester of enrollment. Cards will be mailed to the mailing address on record with the University.

* Students currently enrolled on the plan without dependents do not need to re-enroll. Current coverage will continue after the Office of Student Health Benefits verifies eligibility. Those with dependents need to re-enroll, even if they are not re-enrolling their dependents.

Enter New Health Plan Information

In the MyU Student center, you may be asked to complete the University of Minnesota Health Coverage Declaration to waive enrollment in the Student Health Benefit Plan. If prompted, you should enter the following information:
• Name of insurance company: Graduate Assistant Health Plan
• Health plan member ID number: (your student ID number)
• Health plan group number: 24000

ENROLLMENT QUESTIONS
For more information about enrollment, please contact the Office of Student Health Benefits at 612-624-0627 or umshbo@umn.edu, or visit the Office of Student Health Benefits website at shb.umn.edu.
Convenient access on campus

You want flexibility, choices and exceptional service from your health plan. With HealthPartners Open Access plan, you have access to on-campus health care, in addition to one of the country’s largest networks.

As a University of Minnesota student, you have access to on-campus health care that can meet your needs in any situation—treating injuries, counseling for depression, analyzing lab results—with quality, compassion, and professionalism. Your campus health service performs the same services as a clinic out in the community, with one important difference: It caters to the special needs of college students like you!

Twin Cities Campus Students

Boynton Health
www.bhs.umn.edu
Minneapolis Clinic, 410 Church Street S.E., Minneapolis, MN 55455, 612-625-8400

Phone: 507-292-7250
Monday through Friday, 8 a.m.–5 p.m.

• UMR Health Services provides general health, nutrition, smoking, gynecological services, anxiety, birth control, depression counseling and lab testing.
Bonus Benefits

In addition to your HealthPartners benefits, students and dependents enrolled in the Graduate Assistant Health Plan have access to the following bonus benefits through the University of Minnesota*.

---

**Dental Care Benefits**

Here’s a reason to smile! You, the primary member and pediatric enrollees, receive preventive services such as routine exams, X-rays and cleanings at NO COST at the dental clinic designated for your campus. Your dental plan also pays 80 percent of basic restorative services and 50 percent of major restorative services up to $1,000. Dependents will receive preventive and other covered restorative dental services at a discount of 20 to 30 percent. Coverage starts September 1, 2016. Call to make an appointment today!

Twin Cities Campus Students:
Boytown Health Dental Clinic

---

**Emergency Travel Assistance Program**

Plan members and their dependents traveling 100 or more miles away from home are eligible to obtain no cost medical assistance 24 hours a day anywhere in the world, through UnitedHealthcare Global, a leading provider of international travel assistance services. From finding an English-speaking doctor to replacing a prescription, UnitedHealthcare Global has the resources and experience to offer rapid coordination and monitoring of medical care while you are abroad.

---

**Option to Continue Coverage**

After losing eligibility for the plan (for example, your assistantship drops below 25 percent, you leave your appointment, or your appointment, fellowship or traineeship ends), plan members have the option to continue coverage for up to 18 months by paying the full cost of coverage. To request continuation, simply complete the Continuation of Coverage Form found on the Office of Student Health Benefits website and return within 60 days of loss of coverage.

---

*These bonus benefits are not part of the HealthPartners plan. They are provided by the University of Minnesota.

---

**FOR MORE INFORMATION**

For more information, please contact the University of Minnesota Office of Student Health Benefits at 612-624-0627, 800-232-9017, umgahbo@umn.edu, or visit [www.shb.umn.edu](http://www.shb.umn.edu).

Open Access plan

With HealthPartners® Open Access plan, choose from the doctors in your network, and get care wherever and whenever it’s best for you. It’s that simple.

About your plan

You’ll also have network access to many services like:

• Convenience and online care
• Specialty care — no referrals needed
• Prescription medications
• Preventive care

Find a doctor in your network

When it comes to your health care, finding the right doctor is really important. To see if your doctor is in the Open Access network or to find a new one, you can:

• Visit healthpartners.com/networks and search Open Access. Search for doctors and clinics, by specialty and more.
• Learn how doctors rate on cost and quality.
• Choose from more than 950,000 doctors and other care providers, plus 6,000 hospitals in the United States.

How your plan works

Learn more about how the Open Access plan works by using this chart with your Summary of Benefits and Coverage (SBC).

YOUR OPEN ACCESS PLAN

<table>
<thead>

</table>
Is your medication covered?
Learn more about how your medication is covered under the plan you choose.

Is your prescription covered?
You can see if your prescriptions are covered by searching the GenericsPlusRx formulary. A formulary is a list of medications that are covered by your plan.

Searching the list is easy. Just go to healthpartners.com/genericsplusrx and search by medication name, category or first letter. You can also print the list of covered medications.

What if your medication isn’t on the list?
When you search GenericsPlusRx, medications will come up with F (formulary), NF (non-formulary), or X (excluded). Excluded drugs aren’t eligible to be covered. Depending on your benefits, non-formulary medications may be covered but cost more than those medications on the formulary.

To switch to a formulary medication, we can help you see what your options are:

• Go to healthpartners.com/genericsplusrx.
• Under Brand & Generic Name Search, choose the type of medication you’re taking.
• Choose the subclass of the type of medication you’re taking.
• Print out the list of medications that comes up. Bring it to your doctor to see if a formulary medication F will work for you.

How much do you have to pay for your prescriptions?
The amount you have to pay depends on two things:

• If your medication is on the formulary
• Whether it’s a generic or brand name medication

You’ll usually save the most money by taking a generic medication that’s on the formulary.

To see what group your medication is in, use this key when you’re searching GenericsPlusRx online.

• Generic will be in all lower case italics
• BRAND, oral contraceptives and Accutane generics will be in all CAPS
• Specialty drugs will be shown as

You can see what your benefits are by looking at your Summary of Benefits and Coverage.

Which pharmacies can you use?
You have prescription coverage at most pharmacies around the country. But did you know the pharmacy you go to can affect the cost of your medications? HealthPartners has tools you can use to find a pharmacy that’s convenient for you and offers your medications at the best price.

At healthpartners.com/pharmacy you can use the:

• Pharmacy locator to see what network pharmacies are in your neighborhood
• Drug cost calculator to see how the cost of your prescriptions changes depending on your pharmacy

For help understanding your medications and saving money on your prescriptions, visit healthpartners.com/pharmacy. Once you’re there, log on to your myHealthPartners account and select Email a pharmacist.
Get healthy. We’ll help.

No matter where you are on the path to better health, we have a program that fits your busy life.

**Know healthy**

It’s easy to get started. Take your first step by registering for a biometric health screening through Boynton Health. Screenings only take about 15 to 20 minutes and are offered at no cost to you and your spouse. Trained Boynton staff will perform tests for cholesterol, body mass index, blood pressure and more -- and help you interpret your results.

Watch your email for more information on how to sign up for your screening.

The next step is to complete the health assessment. This quick, online assessment asks you questions about your diet, exercise, sleep, stress and more. You’ll discover how you can be healthier. Once you know your health, you’ll learn what steps you can take to maintain or improve it.

After taking the assessment, you’ll select any of the following activities to best meet your needs.

**Get healthy with a virtual coach**

Tailored and unique to you, virtual coaching helps you achieve your health goals. Watch, listen and interact online with these motivating and fun activities. Each topic contains three “conversations” that take about 20 minutes each.

**Get healthy online**

Are you self-motivated? Love being online? If so, our online programs are perfect for you. They’re available anytime, anywhere, and only take eight weeks to complete. Just long enough for you to see results.

**Get healthy with a mobile app**

With the MePlus mobile app, you can track steps, sleep and tobacco use at your fingertips. And, sync your activity tracker to keep track of steps on-the-go.

Watch for your invitation to get started on your way to well-being. Details will be coming soon!
Get healthy savings

Want to save money while doing something great for your health? Get special discounts while getting healthy!

Rec Well Membership reimbursement

Twin Cities campus graduate assistants may be eligible to receive up to a $20 per month reimbursement toward your member dues when you visit the Minneapolis or St. Paul Rec & Wellness center at least eight times a month. To learn more or to sign up, call 612-625-6800 or visit www.rewell.umn.edu/facilities/minneapolis.php.

Healthy DiscountsSM program

Use your HealthPartners Member ID card to get discounts at many popular local and national retailers of health and well-being products and services.

Discounts include:

- Eyewear
- Fitness and wellness classes
- Healthy eating programs and delivery services
- Healthy mom and baby products
- Recreational equipment
- Spa services
- Swim lessons

For a list of participating health clubs and details on discounts, go to healthpartners.com/uofmga.

For your eyes only

Save up to 35 percent on eyeglasses at thousands of retailers including LensCrafters®, Pearle Vision®, Target Optical® and more. Plus, get great deals on contact lenses.

*Not all locations apply. Frequent Fitness program is limited to employees and covered spouses of HealthPartners senior or individual medical plans and members of participating employer groups. Some restrictions apply. Termination of club membership may result in forfeiture of any unpaid incentive. See participating club locations for program details. The information here should not be used as medical advice.
Healthy pregnancy support

Whether you’re pregnant or planning a pregnancy, this can be an exciting time. You may have questions or just need someone to talk to. We’re here to help.

Get your questions answered by a nurse
If you’re at risk for a difficult pregnancy, you’ll get a call from an experienced nurse trained to work with pregnant women and their families. They’ll give you the help you want and work with you and your family so you can have the best pregnancy possible. Plus, you’ll get connected to valuable resources for a happy, healthy pregnancy.

Get tips timed to your pregnancy
After you get started by taking the Healthy Pregnancy survey, you can choose to get helpful emails with tips about eating right, what to expect and how to stay healthy throughout your planning and pregnancy.

Take the survey today.
Log on at healthpartners.com/uofmga.

Get resources for your pregnancy
Get your questions answered 24/7
If you’re pregnant or have a new baby who’s six weeks old or younger, call the BabyLine phone service to get quick answers about morning sickness, pre-term labor and more. Call 612-333-2229 or 800-845-9297.

Sign up for free texts
With text4baby<sup>SM</sup>, you’ll get helpful weekly texts throughout your pregnancy and your baby’s first year. All texts are free, even if you don’t have a text messaging plan on your phone. Sign up by texting BABY to 511411 (or BEBE for Spanish). For more information, visit text4baby.org.

Find resources online
Get helpful information and great tools for your pregnancy and planning a pregnancy online with the Health Information Library. Just visit healthpartners.com/healthlibrary.

How to get started
Get started by taking the Healthy Pregnancy survey. This simple, confidential survey helps us to better understand the type of support that best fits your pregnancy. If you’re planning to become pregnant, there’s a separate survey just for you.

Visit healthpartners.com/uofmga and log on. If you don’t have a HealthPartners online account, you’ll need to create one. If you have questions, call Member Services at 952-883-7500 or 800-270-5434.
Healthy living support
Sometimes medical conditions get in the way of what’s important to you, but don’t worry, we’re here to help.

Nurse support when you need it
Our registered nurses are specially trained to help you focus on what’s important to you and help you feel as well as possible. When you work with a nurse, they’ll keep your doctor or clinic informed about your condition and any services provided to you.

Tips and resources for you

**How to get started**
If you have a medical condition, we’ll get in touch with you by mail or phone inviting you to participate in our condition management support. Or you can sign up at healthpartners.com/uofmgma. Partnering with us is free, voluntary and confidential.

Summary of utilization management programs

HealthPartners® utilization management programs help ensure effective, accessible and high quality health care. These programs are based on the most up-to-date medical evidence to evaluate appropriate levels of care and establish guidelines for medical practices. Our programs include activities to reduce the underuse, overuse and misuse of health services.

These programs include:

- Inpatient concurrent review and care coordination to support timely care and ensure a safe and timely transition from the hospital
- “Best practice” care guidelines for selected kinds of care
- Outpatient case management to provide care coordination
- The CareCheck® program to coordinate out-of-network hospitalizations and certain services

We require prior approval for a small number of services and procedures. For a complete list, go to healthpartners.com or call Member Services. You must call CareCheck® at 952-883-5800 or 800-942-4872 to receive maximum benefits when using out-of-network providers for in-patient hospital stays; same-day surgery; new or experimental or reconstructive outpatient technologies or procedures; durable medical equipment or prosthetics costing more than $3,000; home health services after your visits exceed 30; and skilled nursing facility stays. We will review your proposed treatment plan, determine length of stay, approve additional days when needed and review the quality and appropriateness of the care you receive. Benefits will be reduced by 20 percent if CareCheck® is not notified.

Our approach to protecting personal information

HealthPartners complies with federal and state laws regarding the confidentiality of medical records and personal information about our members and former members. Our policies and procedures help ensure that the collection, use and disclosure of information complies with the law. When needed, we get consent or authorization from our members (or an authorized member representative when the member is unable to give consent or authorization) for release of personal information. We give members access to their own information consistent with applicable law and standards. Our policies and practices support appropriate and effective use of information, internally and externally, and enable us to serve and improve the health of our members, our patients and the community, while being sensitive to privacy. For a copy of our privacy notice, please visit healthpartners.com or call Member Services at 952-883-5000 or 800-883-2177.

Appropriate use and coverage of prescription medications

We provide our members with coverage for high quality, safe and cost-effective medications.

To help us do this, we use:

- A formulary of prescription medications that has been reviewed and approved for coverage based on quality, safety, effectiveness and value
- A special program that helps members who use many different medications avoid unintended medication interactions

The formulary is available at healthpartners.com/pharmacy, along with information on how medications are reviewed, the criteria used to determine which medications are added to the list and more. You may also get this information from Member Services.

THIS PLAN MAY NOT COVER ALL YOUR HEALTH CARE EXPENSES. READ YOUR PLAN MATERIALS AND SUMMARY OF BENEFITS AND COVERAGE (SBC) CAREFULLY TO DETERMINE WHICH EXPENSES ARE COVERED.

For details about benefits and services, call Member Services at 952-883-5000 or 800-883-2177.
