Dear Graduate Assistant Health Plan enrollee,

The University is pleased to offer you exceptional, cost-effective health benefits through the Graduate Assistant Health Plan (GAHP). The 2018-2019 plan year is September 1, 2018 to August 31, 2019. Enrollment information and forms are now available on our website.

If you were enrolled during the 2017-2018 plan year and did not have dependents enrolled, you do not need to re-enroll. As long as you remain an eligible graduate assistant, fellow, or trainee, your enrollment will automatically continue.

If you had dependents enrolled during the 2017-2018 plan year, you must re-enroll yourself and your dependents at the start of each academic year. Even if you do not want to re-enroll dependents, you must submit an enrollment form to continue your coverage. The deadline to submit an enrollment form (pdf) is September 17, 2018. Find more information on the enrollment process on our website.

If you graduated or will no longer have an eligible assistantship, traineeship or fellowship, your coverage will terminate on August 31, 2018. You have the option to continue coverage for up to 18 months at your own expense with the Continuation of Coverage plan. Learn more.

Please contact our office if you have any questions.
