If you cancelled Student Health Benefit Plan coverage recently, you may disregard this message.

Dear [first name last name],

The Student Health Benefit Plan rates are changing for the upcoming 2017-2018 plan year. The rates will increase to $210 per month for the scholar, $260 per month for a spouse, $193 per month for one child, $276 per month for two or more children and $746 per month per family.

If you are enrolled in automatic billing, you do not need to take action and will be charged the new rate in August using the same billing schedule (either the 10th or 25th of the month).

If you are not enrolled in automatic billing, you will see the new rate when you come in to make your 2017-2018 payments. If you would like to enroll in automatic billing for the 2017-2018 plan year, please complete the International Scholar Payment Form and submit to the Office of Student Health Benefits.

Please contact our office with questions.
