Dental care is an essential piece of your overall health. The Student Health Benefit Plan includes preventive dental benefits, which covers services such as routine cleanings and exams.

**Want additional dental benefits?**
The Dental Buy-Up Plan is an optional benefit that includes restorative services, such as emergency treatment, fillings and tooth removal. The Buy-Up Plan is $326 per year and coverage is provided through Delta Dental. Find more information on our website.

Enrollment in the Buy-Up Plan is only available during fall semester for year-round coverage. To enroll in the optional Buy-Up Plan, please fill out an online enrollment form by September 27.
