Dear University of Minnesota student,

Welcome! You are enrolled in the University-sponsored Student Health Benefit Plan (SHBP) for fall semester 2016. Your fall semester coverage is effective August 20, 2016 through January 16, 2017.

If you did not intend to enroll, please see instructions below on how to submit a waiver using the Health Coverage Declaration before the September 20 deadline.

Plan Information

Health plan network and claims administration services for the SHBP are provided by Blue Cross and Blue Shield of Minnesota, giving you access to thousands of providers and hospitals in its worldwide network.

Highlights of the plan include:

- No deductible
- 100% coverage for routine preventive care like annual checkups and eye exams
- Year-round coverage
- Emergency travel assistance through UnitedHealthcare Global

Waiver Information

If you are covered by another health plan and did not intend to enroll in the SHBP, you have until September 20 to provide your current health plan information online, using the Health Coverage Declaration. Once your health plan information has been verified, your enrollment in the SHBP will be reversed.

To submit a waiver for the SHBP, visit your Student Center and complete the Health Coverage Declaration. Or, go to the MyU portal and select “Student Center”, under “Key Links”. Please have your current health plan information available, as you will need to provide the name of your insurance company, member ID, group ID and payer ID (if applicable).

International Students

International students and their dependents are required to be enrolled in the Student Health Benefit Plan. Please see our website for more information.
